PRESENTS

VIRTUAL SPORTS SCIENCE CAMP

With most in-person sports camps cancelled due to COVID-19, we're bringing you a virtual camp to continue the fun of sports while uncovering the science of the data behind sports. This is a great opportunity for campers to stay active during quarantine and learn something new about STEM in sports!

Activities will include:

- Interactive sports data visualization investigations
- Exclusive physical challenges and exercises

**JUNE 30, 2020 - JULY 28, 2020 |
TUESDAYS FROM 10:00 AM - 12:00
PM | ZOOM VIDEO CONFERENCE**

Requirements: Laptop with internet connection

Ages: 10-14
